

Our winery is proudly open to all wine lovers. It is located in the largest wine region in Serbia in town named Vrsac, distanced ~65 km (40 miles) away from Belgrade.

Our famous brand is wine "Vrzole" (red and white) as well as grape brandy "Cabinet" which were awarded numerous gold and silver medals and were proclaimed champions at local and international wine fairs in Novi Sad, Belgrade and in Hungary.

In 2007 we decide to publicly reveal something special - a wine jewel that for many years was exclusive only to our inner family circle - the first banat's Bermetto which is nourished with special technological process and by using out traditional recipe.

In visit to our cellar you will be welcomed and hosted by The Great Master and Knight of "St. Theodore Wine Order" Mr. Nikola Cuculj who dressed in knight's costume will be giving you tour through our production facility and revealing you some secrets of the art and science of our wine making.

Our cellar can receive 50 guests. As per client's request we can host various events such as celebrations, presentations and it is possible to provide traditional tambuara band, per your special request.

Visits to the winery are possible upon advance appointments. Your visit requests can be scheduled by contacting us by e-mail: **info@serbianwine.com** or by phone: +381-63-850-34-74; +381-64-414-04-55 (for local language) and on +382-69-438-238 (for English speakers).
